

KRAJEVNA SKUPNOST PADNA

OBČINA PIRAN
COMUNE DI PIRANO

Padna, Piran, August 23th 2018

Letter of Recommendation

for the Tour Operator Atlas Express Ltd., hereby given by the local community of the village of Padna in Slovenian Istria, municipality of the City of Piran.

Our village is perched on top of a hill overlooking the rolling countryside of the Istrian peninsula and the breathtaking view of the surrounding Adriatic Sea. Our friendly villagers are glad to open the doors of their homes to visitors. In the past years, we have built an excellent longstanding cooperation with the tour operator Atlas Express Ltd. from Portoroz, Slovenia, who regularly organizes visits to our village by tourists from cruisers berthed at Koper and Piran.

Our relationship with Atlas Express Ltd. has given a new life to our village community, enabling the rebuilding of our Istrian (Venetian) heritage, and ensuring a future for our children.

Please do not hesitate to visit us and see for yourself the truth in what we have written.

Sincerely,

Robert Titan
President of the Local Community Padna

Peter Bossman
Mayor of the Municipality of Piran
